

# WOODS POINT NEWSLETTER

DECEMBER 2021

Bentley Wood Aged Care – Woods Point and Myrtleford Lodge will be undertaking their 3-year unannounced accreditation in the next few months.

Information has been placed in previous newsletters and is displayed throughout the facility of how you can be involved.

We will provide an update on 2 standards each month, so you are fully aware of what is required to ensure your needs are met.

Each standard says what you, the consumer, can expect. Your aged care provider has to meet an “outcome” for you and they have to demonstrate how they are meeting that outcome.

There are eight standards, and each one is about an aspect of care that contributes to your safety, health and well being.

The graphic shows which part of your care these standards relate to, or you can see the list below:

- Consumer dignity and choice

- Ongoing assessment and planning with consumers

- Personal care and clinical care

- Services and supports for daily living

- Organisation’s service environment

- Feedback and complaints

- Human resources

- Organisational governance

## Standard 1: Consumer dignity and choice:

### Consumer outcome:

I am treated with dignity and respect, and can maintain my identity. I can make informed choices about my care and services, and live the life I choose.

Organisation statement:

The organisation:

- (a) Has a culture of inclusion and respect for consumers;
- (b) Supports consumers to exercise choice and independence; and
- (c) Respects consumers' privacy.

Requirements:

The organisation demonstrates the following:

- (a) Each consumer is treated with dignity and respect, with their identity, culture and diversity valued.
- (b) Care and services are culturally safe.
- (c) Each consumer is supported to exercise choice and independence, including to:
  - i) Make decisions about their own care and the way care and services are delivered; and
  - ii) Make decisions about when family, friends, carers or others should be involved in their care; and
  - iii) Communicate their decisions; and
  - iv) Make connections with others and maintain relationships of choice, including intimate relationships.
- (d) Each consumer is supported to take risks to enable them to live the best life they can.
- (e) Information provided to each consumer is current, accurate and timely, and communicated in a way that is clear, easy to understand and enables them to exercise choice.
- (f) Each consumer's privacy is respected and personal information kept confidential.

Standard 2 - Ongoing assessment and planning with consumers

Customer care: I am a partner in ongoing assessment and planning that helps me get the care and services I need for my health and well being.

Organisation statement: The organisation undertakes initial and ongoing assessment and planning for care and services in partnership with the consumer. Assessment and planning

has a focus on optimizing health and well being in accordance with the consumer's needs, goals and preferences.

Requirements:

The organisation demonstrates the following:

(a) assessment and planning, including consideration of risks to the consumer's health and well being, informs the delivery of safe and effective care and services; (b) assessment and planning identifies and addresses the consumer's current needs, goals and preferences, including

advance care planning and end of life planning if the consumer wishes

(c) assessment and planning: (i) is based on ongoing partnership with the consumer and others that the consumer wishes to involve in assessment, planning and review of the consumer's care and services; and (ii) includes other organisations, and individuals and providers of other care and services, that are involved in the care of the consumer; (d) the outcomes of assessment and planning are effectively communicated to the consumer and documented in a care and services plan that is readily available to the consumer, and where care and services are provided; (e) care and services are reviewed regularly for effectiveness, and when circumstances change or when incidents impact on the needs, goals or preferences of the consumer.

If you have any questions with regards to the new standards or how we achieve these standards please speak to staff for clarification.

Bentley Wood - Yarrawonga and Myrtleford will continue to strive to meet residents/consumers needs. We rely on effective communication with you and your representative to ensure these needs and wants are met.

Each year we host a reflection ceremony to reflect and remember the residents we have lost over the past 12 months.

The reflection ceremony will be hosted on the 09<sup>th</sup> December at 2pm in the main lounge.

We encourage residents to attend to help us remember and place a leaf with the deceased residents name on the tree of eternity.

### Verse of the Month

Never forget how far  
you've come. All the times  
you pushed on even when  
you felt you couldn't.  
All the mornings you got  
out of bed no matter  
how hard it was. All the  
times you wanted to give  
up but fought through  
another day. Never forget  
the strength you've  
gained along the way.

Congratulations to Unis and Alec Boak on the 70 Year Wedding Anniversary
